Introduction and Copyright Notice

Dear Chess Player,

Thank you for downloading the Demo version of 2 chess pdf ebooks “250/350 Chess Endgame Puzzles by Famous Chess Composers.” The Demo version includes the first 24 puzzles of the Full version.

The Full version consists of 2 ebooks:

- eBook 1 (250 Chess Endgame Puzzles).
- eBook 2 (Chess Endgame Puzzles 251-350).

The puzzles were selected for the chess master rated 1200-2400 on the FIDE scale and for the unrated advanced player. I hope you will learn many new, unbelievable but very logical, winning ideas in the chess endgame.

Bohdan Vovk

How to Buy the Full Version

General Information

1. The price of one license to legally use the Full version is \$7.00 USD.
2. You will be able to download the product immediately after ordering as a single .zip file. To unzip the file, use WinZip, WinRAR, 7-Zip or similar program; or Windows 7 or later. The unzipped file includes 2 ebooks in one folder (250-puzzles.pdf and 350-puzzles.pdf).
3. To read the pdf ebooks, you will need any PDF reader installed on your computer (Adobe (Acrobat) Reader, Foxit Reader or similar program).
4. After ordering, you will be provided with the technical support e-mail.

Note. If you buy this ebook, you will get free 1 PC license for Elo Calculator for FIDE upon your request (we will contact you to ask if you want to). You can download the above program at <http://www.elo-calculator.chesselo.com>.

How to Buy the Full Version

The Chess Notation Used

K - King
Q - Queen
R - Rook
B - Bishop
N - Knight (since K is already used)

+ - Check
++ - Double Check
- Checkmate

x - Capture

=Q - Pawn Promotion to Queen
=R - Pawn Promotion to Rook
=B - Pawn Promotion to Bishop
=N - Pawn Promotion to Knight

!! - Brilliant Move
! - Good Move
?? - Blunder
? - Bad Move

{ 1. ... g5 2. e5 } - If Black moves g5, then White will move e5.

1-0 - The game ends in a win for White.
0-1 - The game ends in a win for Black.
1/2-1/2 - The game ends in a draw.
